RESEARCH INTEREST

Phonetics, Speech Production and Articulation, Computational Linguistics,
Prosody, Speech Imaging

EDUCATION

- 2016 – (present) University of Southern California, *California, United States*
In progress: Doctorate of Philosophy in Linguistics (GPA 4.0) – Chair: Dani Byrd
- May 2018 University of Southern California, *California, United States*
M.A. in Linguistics
- 2015 – 2016 Stony Brook University, *New York, United States*
Ph.D. program in Linguistics (GPA 4.0)
- Aug 2015 Ewha Womans University, *Seoul, Korea*
M.A. in English Language and Literature (Linguistics; GPA 4.21/4.3) – Chair: Eunjin Oh
- Feb 2013 Ewha Womans University, *Seoul, Korea*
B.A. in English Language and Literature
- 2011 – 2012 University of California, Davis, *California, United States*
Exchange Program

RESEARCH EXPERIENCE

- May 2019 – Aug 2019 Research assistant, for Shrikanth S. Narayanan, *Ming Hsieh Department of Electrical and Computer Engineering*, and Dani Byrd, *Department of Linguistics, USC*
- Worked on image/video analysis with MRI videos
- May 2018 – Dec 2018 Research assistant, for Dani Byrd *Department of Linguistics, USC*
- Analyzed speech data addressing the effect of prosodic modulation on internal linguistic organizations
- Designed and conducted experiments investigating dynamics and coordination of speech materials
- May 2018 – Aug 2018 Research assistant, for Shrikanth S. Narayanan, *Ming Hsieh Department of Electrical Engineering, USC*
- Worked on image/video analysis with MRI videos
- Designed experiments and collected real-time MRI video data to understand complex linguistic configurations
- May 2017 – Dec 2017 Research assistant, for Shrikanth S. Narayanan, *Ming Hsieh Department of Electrical Engineering, USC*
- Developed an object tracking tool for analyzing human vocal tract MRI videos (w/ MATLAB)
- Collected real-time MRI data for Speech Production and Articulation kNowledge (SPAN) group projects

- Sep 2014 – Aug 2015 Research assistant, advised by Eunjin Oh, *Department of English Language and Literature, Ewha Womans University*
- Data collection and data analysis for socio-phonetic experiments on interactive speech communication
- 2013 – 2014 Student assistant, *English Lounge (tutoring center), Ewha Womans University*
- Tutored students and coordinated meetings and tutoring schedules

TEACHING EXPERIENCE

- Fall 2019 Teaching assistant, CORE 103 The Process of Change in Science: Human Speech in the Thematic Option Honors Program, *USC*
- Led weekly lab sessions (Instructor: Dani Byrd)
- Spring 2019 Teaching assistant, LING 115 Language and Society, *USC*
- Led weekly lab sessions (Instructor: Mary B. Washburn)
- Nov 2018 Certificate of Completion, *Center for Excellence in Teaching, USC*
- Participated in the Future Faculty Teaching Institute
- Spring 2018 Teaching assistant, LING 285 Human Language and Technology, *USC*
- Led weekly lab sessions (Instructor: Mary B. Washburn)
- Fall 2017 Teaching assistant, LING 115 Language and Society, *USC*
- Led weekly lab sessions (Instructor: Andrew Simpson)
- Spring 2016 Teaching assistant, LIN 301 Phonology, *Stony Brook University*
- Led weekly lab sessions, substitute teacher (Instructor: Michael Becker)
- Fall 2015 Teaching assistant, LIN 201 Phonetics, *Stony Brook University*
- Led weekly lab sessions (Instructor: Marie Huffman)
